

## DAVE FAHRENHORST TO RETIRE FROM LANGENDORF SUPPLY COMPANY

...But will we let him stop working for  
SMACNA?

After the golf outing and on behalf of the entire chapter, SMACNA-St. Louis President Mike Corrigan, left, presented Dave Fahrenhorst, right, with a framed certificate recognizing his years as chairman of the Associates Advisory Committee and all of his efforts making the annual Products Trade Show the overwhelming success it is today. Thanks Dave, we'll miss you.
